"Finally found something that works"

"I have tried everything for the roaches in my kitchen. BugMD is the only thing that stopped them dead in their tracks."

- Sarah M. ✓

"Works on the rats in my shed"

"I had a huge problem with rats chewing wires in my garden shed. Put two of these in there and haven't seen a dropping since. Smells like Christmas to me, but they hate it."

— Mike T. ✓

"No more ants"

"We had a trail of ants coming in the back door every spring. One treatment with EPC and they were gone."

- Kelly R. ✓
