**Here, we answer the questions
we get most frequently from
almost-customers like you:**

?

**WILL YOUR SHOES REALLY
RELIEVE MY FOOT PAIN?**

Absolutely! They're loved by
customers with plantar fasciitis,
bunions, neuropathy, arthritis, and
other painful foot conditions. Read
about their experience [here](#).

?

HOW LONG WILL IT TAKE FOR ME TO RECEIVE MY ORDER?

Due to high demand, our estimated
shipping time is 8-12 business
days. We will keep you in the loop
with order and shipping
confirmation emails.

?

I'M NOT SURE ABOUT SIZING – CAN YOU HELP?

You may refer to the Size Chart on every product page for help with finding the right size. As our shoes tend to run small, we recommend going half size up.
