More Reasons To Love The Rice Water Protein

IMPROVES HAIR VOLUME

Rice water's amino acids help with hair regeneration, while its rich vitamin B, C, and E content encourages growth.

STRENGTHENS STRANDS

This hair-loving ingredient helps improve hair's overall health by supporting strong, repaired locks.

SMOOTHS ENDS

This hair-loving ingredient helps improve hair's overall health by supporting strong, repaired locks.

KEEPS HAIR BALANCED

A protein treatment like rice water is the balancing act hair needs to stay hydrated enough but not overly moisturized.
